

Minutes of June 20, 2017 Public Hearing regarding the increase and improvements of the facilities of the sewer district, 50 Palatine Park Road, Germantown, NY, commencing at 6:30pm.

Present:           Supervisor Craig  
                  Councilman Moore  
                  Councilwoman Foley  
                  Councilwoman DuFresne  
                  Councilman Kukon

Recorded by:     Town Clerk, Joyce Vale

Supervisor Craig opened the Public Hearing on the Waste Water Treatment Plan upgrade saying there are no changes to the plan. Calls for a \$2,500,000.00 bond to replace much of the plant. Bond council did not like the wording on the last resolution so it had to be re-done. This resolution is slightly different.

**Public comments**

Brian DuBois said cut the cost.

Supervisor Craig said they will be picking up a couple of extra units on Hover Avenue.

Public hearing closed at 6:35pm.

Respectfully submitted,
