

Minutes of August 10, 2021 of Government Operations presentation by Jan Brochert, held in the Germantown Town Hall, 50 Palatine Park Road and via Zoom, commencing at 6:04pm.

Present: Supervisor Beury
Councilman Sullivan
Councilman Kukon
Councilman Christian

Town Attorney, Corinne Smith

Absent: Councilmember Suarez

Recorded by: Town Clerk, Joyce Vale

Jan Brochert said they started a task force for Greenhouse Gas Inventory. He showed tables that he and Matthew had put together with information from 2016 to 2020. The goals are reducing costs of government operations. Included are propane, heating oil, gasoline and lighting as direct and indirect. The goal is to talk about emissions and what patterns have occurred over the years. Thinking of ways to reduce emissions with results. Looking for room for improvement. Start thinking of ways to use those emissions.

Keeping better track. Start with small goals.

Supervisor Beury said the town is considering selling the 10-wheeler and going with a 650.

Councilman Sullivan asked if entering the information in the portfolio is user friendly. Jan said its pretty straight forward using excel spreadsheet.

Councilman Christian asked if we could link Jan's presentation to the town website so the public can view it?

Closed at 6:38pm.

Respectfully submitted,
